PROCOTE OPTIMIZE®

## 55 years of formulation knowledge, 10+ years of biostimulant R&D

We know there are many biostimulant solutions available to our partners and growers, but are they proven? That's why Yara leveraged its 55 years of formulation knowledge and more than 10 years of biostimulant R&D to develop unique formulations with proven results such as YaraAmplix PROCOTE OPTIMIZE. A revolutionary biostimulant fertilizer coating, YaraAmplix PROCOTE OPTIMIZE protects the phosphorus applied, and liberates the phosphorus already in the soil.
