Use in accordance with recommendations of a qualified individual or institution such as, but not limited to, a certified crop advisor, agronomist, university crop extension publication, or apply according to recommendations in your approved nutrient management plan.

There are no implied warranties of merchantability or fitness with respect to these products, nor are there any expressed warranties other than as may be contained in any guaranteed analysis that may accompany the product. Buyer assumes all risk to person and property in the use, handling or storage of the product. Seller's liability is limited to the full amount of the purchase price, with the waiver of any incidental or consequential damages being an expressed provision of this sale.

Handle this product properly. To assure optimum quality and performance: use clean, dry and well maintained equipment.

Only apply to the intended application site. Do not apply near water, storm drains, or drainage ditches or to any impervious surface. Do not apply if heavy rain is expected.

Utiliser conformément aux recommandations d'une personne qualifiée ou d'un établissement tel que, sans s'y limiter, un conseiller agréé en cultures, un agronome, une publication universitaire de vulgarisation relative aux cultures, ou appliquer selon les recommandations de votre plan de fertilisation approuvé.

Il n'y a aucune garantie implicite de qualité marchande ou d'adaptabilité concernant ces produits, non plus qu'il y a toutes garanties explicites autres que celle qui peut accompagner le produit. L'acheteur assume tous les risques envers les personnes et la propriété reliés à l'utilisation, la manutention ou l'entreposage de ce produit. La responsabilité du vendeur se limite au montant total du prix d'achat avec renonciation pour tous dommages accidentels ou corrélatifs étant une clause explicite de cette vente.

Manutentionner ce produit de façon convenable. Pour assurer qualité et performance optimales : utiliser de l'équipement propre, sec et bien entretenu.
