YaraLiva[®]

Calcium Nitrate

DELIVER THE POWER OF NITRATE-N AND CALCIUM FOR HEALTHIER, LONGER-LASTING PRODUCE

Did you know calcium is critical for crop health - but **not just any calcium** will do?

YaraLiva[®] Calcium Nitrate fertilizers deliver **fully water-soluble calcium** and **fast-acting nitrate nitrogen**, giving your crops the nutrients they need right when they need them.

✔ Boost Growth & Strength

Soluble calcium builds strong cell walls, helping fruits, vegetables, and nuts grow bigger, firmer, and more resilient.

✔ Fight Stress & Disease

YaraLiva fortifies crops against heat, drought, salinity, and soil-borne diseases, so your fields stay productive even when nature doesn't cooperate.

✔ Improve Shelf Life & Marketability

From apples to potatoes, YaraLiva helps produce stay fresh longer, with vibrant color and fewer blemishes, inside and out.

✔ Fast Nutrient Uptake

Nitrate-N is the preferred nitrogen form for crops. It's readily available, efficient, and fuels prolonged growth.

YaraLiva is your go-to for inner health, outer beauty, and longer freshness.
